Dear Mr. Anthony and Group Travel:

My appreciation goes out to you and your fine staff for assisting the major responsibilities for our Liberty High School Florida trip this past month. The hotel, meals, theme parks, support crew and transportation were number "1". It was a wonderful trip that we will cherish for a lifetime. Your organizational interest and safety for our members were noticed throughout the phone calls, meeting, and gatherings from the first time Mrs. Jo Warner, Miss Allison Hardy and I began planning our Florida trip. You definitely run a "top notch" service. I, along with my staff, would once again like to "thank you" for your generous hospitality and friendship during these past three months. May you have a wonderful and successful year.

Sincerely,
